PRISM - Full Spectrum Culture

Our show is a metaphor for a prism- it takes "international culture" and separates it into the vivid and rich hues of heritage from around the globe. We believe that one culture magnifies the beauty of another- as we celebrate and embrace the diversity that they represent. Today, the Tamburitzans are your cultural prism—**bringing light to the "extraordinary"**! Here are the cultures being represented: Croatian, Armenian, Romanian, Ukrainian, Slovenian, Greek, Serbian, Latin Caribbean, Irish, Bulgarian, Macedonian.
